

## 2010 FEES SCHEDULE

Fees will be charged annually and a Statement issued at the beginning of Term 1. Details of payment options can be found on the back of this sheet, and you are requested to tick appropriate boxes and sign. For 2010 we have retained the same fee structure as 2009 with differing fees applicable only as follows: Holders of Eligible Cards, and Non Holders of Eligible Cards. For a family of two or three or more children, if the cost of the annual fee for Kindergarten or Pre Primary is higher than the fee for the second third or subsequent child, then the lesser fee will apply. Eg for a family of three children with no eligible card, with 1<sup>st</sup> child in year 1, 2<sup>nd</sup> in pre-primary and 3<sup>rd</sup> in kindergarten, fees would be \$4,085, \$2,042.50 and \$817 respectively, not \$4,085, \$2,150 and \$858.
